## New Commercial Spray Mop Technology

We are so confident that our new **MicroClean® Commercial Spray Mop** will save your facility time and money we are providing facilities in the Greater Vancouver area a chance to meet the designer and get a first hand in-house demo of this remarkable cleaning tool. The designer will be available to demonstrate the MicroClean® Spray Mop for the next 30 days. Please call our office to book a demonstration event at your facility. **Call 1-866-552-7671 or 604-552-7671 \***

## Features and Benefits

**Easy Grip Activator** Slight downward motion on top handle activates patented spray mechanism dispensing 5 ml stream of cleaning solution directly to the floor.

**Comfort Grip** High density rubber grip provides operator with excellent control over mop head movement.

**Integrated Reservoir** 24 oz fluid reservoir covers 3228 square foot floor space without re-filling. Semi-translucent tank is calibrated for visually checking solution levels. Suitable for refilling from a 24 oz refill bottle or dilution control hose.

**Adjustable Nozzle** Operator controls solution flow, output volume and direction. Ball and socket joint rotates to set spray height. Positioned high above mop head for exceptional chemical coverage on floor.

**16.5 Inch Aluminum Mop Head** 16.5 x 3 inch solid aluminum mop head. Double lock connector design. Provides full rotation for traditional reverse figure 8 mop pattern.

## Book a Demo

**\*As an added incentive to book a demonstration of our new MicroClean® Microfiber Spray Mop system we will provide your facility with a complete set of our MicroClean® Microfiber cleaning cloths. Value \$20**
