Reduce losses using our Peri Cloth

### MicroClean® Microfiber Peri Cloths

Our MicroClean™ 14x14" blue microfiber peri cloths are becoming the most popular peri cloths for care facilities throughout the country. Our customers are finding these cloths to offer superior patient comfort, extreme durability and effective cost savings for their facilities. If you are losing hundreds of low quality cotton peri's every month it might be time to make the switch to our MicroClean™ microfiber Peri Cloth.

### Overhead Plaid Clothing Protector

This 2 Ply printed flannel adult clothing protector offers excellent protection from food and drink spills. The high quality vinyl back provides a long lasting durable barrier to help protect residents from soiling clothing at meal time. This protector features an overhead design (no snaps or Velcro) Limited quantities available at this one time clearance price.
